archmodels 2006 vol.30

Have you ever lost your race with time doing visualizations? Have you ever been embarrassed of unfinished renders, spending all night on the modeling process, instead of rendering? If you are an architect, and if you need to work fast but with highest precision, this is the thing for you.

Archmodels volume 30 gives you almost 80 professional, highly detailed objects for architectural visualizations. This cd gives you huge collection of cloths, from towels to t-shirts. Why waste costly time for making something that you can have from the best at Evermotion?
