

archmodels vol. 98

2011

Have you ever lost your race with time doing visualizations? Have you ever been embarrassed of unfinished renders, spending all night on the modeling process, instead of rendering? If you are an architect, and if you need to work fast but with highest precision, this is the thing for you. Archmodels volume 98 gives

you 13 professional objects for architectural visualizations. This dvd comes with vehicle models including all textures, shaders and materials. It is ready to use, just put it into your scene. Why waste costly time for making something that you can have from the best at Evermotion?
